

A. 辨識句意：選出符合句子描述的圖片。

1. Lisa was mopping the floor at that time.
2. My brother was taking out the trash at ten to seven.
3. The student wants to become a mail carrier in the future.
4. It is wrong to eat junk food when you have a stomachache.
5. Which is true about the picture?
(A) Skipping breakfast every morning is bad for health.
(B) Going to bed early is good for students.
(C) Studying late every night is interesting.

B. 基本問答：選出最適當的回答，完成對話。

6. It's six thirty. Hurry up, let's go to the party.
7. It's lunch time. What do you plan to eat for lunch?
8. Why didn't you eat the ice cream? What's wrong?
9. How was your day today, Peter?
10. I need to stop eating that much from now on.

C. 言談理解：請聽對話或短文，選出問題最適合的答案。

11. (男) Sally, what do you want to be in the future?
(女) I am not sure. I love to eat, but I don't plan to be a cook.
(男) Well, you are good at sports, maybe you can be a PE teacher someday.
(女) Hmm... I don't like teaching so I will not be a good teacher.
Question: What does Sally want to be in the future?

12. (女) Excuse me, do you have the time?
(男) Let me check. It's half past four.
(女) A: What??!! I am late for the magic show. It started ten minutes ago.
Question: What time did the magic show begin?

13. (男) What do you think of the concert last night?
(女) The band kept playing my favorite song, so it was great. What about you?
(男) Hmm.. I didn't really have fun. My body was wet because of the heavy rain.
Question: Why didn't the man enjoy the concert?

14. (女) Didn't Adam come to school today?
(男) He is on the way now. He had a headache this morning
(女) Poor boy. Did he go to see a doctor?
(男) No, but don't be worried. Now he's fine. He had a headache because he went to bed late last

night.

Question: What does Adam need to do?

15. Yesterday afternoon I was memorizing some English words at home. Someone was eyeing me behind the door. I thought it was Mom so I decided to play a game with her. I walked to the door and made some funny sound, but there was no one there. I was so scared. And then, I woke up on my bed.

Question: What is the listening mainly (主要) about?
